HUMANITIES with Mr Newell

We will be exploring the Amazon Rainforest. We will investigate:
What makes it such a special place.
The people who live there.
The effect that the rainforest has on the world as a whole.
How we can protect the Rainforest.

We will also be using some Greenpeace resources to look at the effect of the global food industry on the Rainforest (with a focus on palm oil and the meat industry).

We hope to do some Key Stage 2 fundraising so that we sponsor an acre of the Rainforest to help protect it.
