NUMERACY Overview

Multiplication and Division:

Recognise equal groups
Make equal groups
Using pictures to multiply
Arrays
2, 5, 10 times tables

Topic: Happy New Year and welcome back after the Christmas break.

This half term we are surrounded by superheroes! Children will be finding out how good overcomes bad in stories and how real people can be heroes by making changes to the world we live in. Hopefully we will be meeting a local superhero with a visit from a Police Community Support Officer. At the end of our dynamic topic we will be inviting you to our Celebration of Learning.

Home Learning Ideas:

- Make up your own superhero story. Can you write it?
- Make a vehicle for your superhero
- Go on a scavenger hunt for objects made of different materials (eg wood, glass, metal, rock). Why might the object be made from that material?

Please come to our Superhero Celebration of Learning on Friday 14th February.

SCIENCE with Mrs. Griffiths

Identify a variety of materials.
Use 'Superworm' story to inspire material investigations.
Who was Charles Macintosh?

FRENCH with Mrs Owen

Practise these at home.

As-tu des animaux domestiques?

Do you have any pets?

OUI - YES

j'ai un chat	I have a cat
j'ai un chien	I have a dog
j'ai un hamster	I have a hamster
j'ai un lapin	I have a rabbit
j'ai un serpent	I have a snake

Homework:

Mathletics(online), reading x5 times per week for 10 minutes, spellings weekly (Friday).

Art

How to take a perfect photograph!

Collect winter themed resources for a photo composition, thinking about the elements of art.

Take a digital photo (zoom and control focus) of the winter composition and manipulate.

Artist study: Andy Goldworthy

DT with Mr. Spelman

Wheels and axles:
Experiment with mechanisms and troubleshoot why some wheels don't rotate. Design and build a moving vehicle.

MUSIC with Mrs Barrow

The children will develop their sense of pitch and duration through singing.
Some children will learn to use hand bells and some will learn to play the recorder.

Religious Education with Mr Jones

Who are Muslims and how do they live?

LIFE curriculum with Mrs. Wellings

What am I good at? Take part in our talent show!

Dealing with worries.

How do we call for help in an emergency?
